General Manager

About the Club

Rolling Hills Country Club spans 160 wooded acres in picturesque Wilton, Connecticut, just over 50 miles northeast of New York City. The Club offers a relaxed, family-friendly environment and a vibrant social hub for an active membership. Established in 1961, Rolling Hills is a premier destination for golf, racquets, aquatics, dining, and special events. Wilton and the surrounding towns in Fairfield County offer some of the best school systems in the country.

Created by members after a nearby private club opted to go public, Rolling Hills was founded on historic farmland distinguished by its rolling hills—the inspiration for its name. The original 18-hole course, designed by Alfred Tull, was renovated by Roger Rulewich in 2002 and by Tripp Davis in 2016. On its 50th anniversary in 2011, the Club received the Distinguished Club Award from the Connecticut State Golf Association and has hosted nearly every major state championship, including the CT Amateur, CT Open, Palmer Cup, CT Senior Amateur, and CT Women's Open.
