

# OCULOPLASTICS WITHOUT CALL OR BURNOUT

An Overlooked Place to Build an Extraordinary Practice

- Established, exclusively oculoplastics practice
- Strong regional demand with loyal referral base
- Balanced functional and cosmetic case mix
- Efficient clinic flow

## Exclusively Plastics

- Enjoy collaboration with an ASOPRS peer
- Referrals from many sources
- Focus on your unique training
- Avoid paying costly overhead from other sub-specialties
- Avoid pressure to do general ophthalmology

## Quality of life in NW Arkansas

- 10-15 minute commutes
- Cost of living that allows property ownership
- Top-ranked public and private schools
- Home to 3 Fortune 500 Companies
- National-caliber arts, music, food and outdoors
- Airport convenience
- College town energy

## Our Culture

- Laid back, yet disciplined
- Patient care over profiteering
- Emphasis on quality of life for both doctors and staff

## Our Reputation

- Consistent five-star patient experience
- Engaged in the local medical and small business communities
- Supporter of the arts
