

Position: Secondary Science Teacher
Status: Full-time (July-June)

SC Whitmore School teachers report directly to the Director of Teacher Quality and Support and work one-to-one with students to effectively teach course material until satisfactory progress is achieved.

Essential Duties and Responsibilities:

Support each student's personalized learning program with asynchronous lessons and synchronous instruction using online tools.

- Communicate regularly with students, grade student work, provide feedback on all assignments, suggest new strategies, and monitor course progress.
- Use data provided by the Admin Team to review and improve teaching strategies.
- Develop a detailed knowledge of the courses for which you are responsible.
- Work with the Curriculum Team to provide updates to course content as needed, for immediate improvements and longer-term projects aimed at improving student outcomes.
- Support students and parents with alternative strategies to help them successfully learn course material and provide additional assistance with assignments as needed.
- Communicate with school counselors and other department members via email, chat, and phone.
- Keep student grades and communication logs up to date.
- Attend monthly faculty and department meetings to stay updated on the school's needs, share input, provide feedback on goals, raise concerns, and seek assistance from coworkers.
- Attend professional development sessions and participate in activities that promote personal and professional growth and support the school's mission.
- Participate in the SC-mandated teacher evaluation program.
- Complete all SC teacher recertification requirements.
- Assist with state-wide testing administration. Some travel may be required.
- Other duties as assigned.

Requirements

- Valid South Carolina licensure/certification as a Secondary Science Teacher.
- Strong technology and organizational skills.
- Excellent written and oral communication skills.
- Student-focused approach.
- High degree of flexibility.
- Ability to work in a school environment.
