## CURRENTLY RECRUITING GIS Technician

**Temporary Position – 6 months**

**Location: Libertyville, IL**

**Hourly Rate: \$18.75 – \$21.75**

**Anticipated Starting Rate: \$18.75**

### SUMMARY

The GIS Technician assists with maintenance and development of District-wide Geographic Information System (GIS), including asset and utility inventories and habitat classification and land management datasets. Assists in the creation and maintenance of the District's GIS layers in geodatabases, and the conversion of data from multiple sources and types. Performs data acquisition, collection, and verification tasks in the field utilizing Global Navigation Satellite System (GNSS). Creates and maintains metadata for District's GIS layers. Creates maps, applications and data for District staff, Departments, and special projects. Performs lifting tasks up to 25 pounds. Drives a motorized vehicle to travel to different locations. Performs tasks that will require walking, bending, stooping, standing, kneeling, climbing, reaching, and sitting.

### EXPERIENCE

Knowledge in the operation of mapping and database software packages, including ESRI's ArcGIS Pro, ArcGIS Online, ArcGIS Field Maps, ArcGIS Survey123 and related tools such as geodatabases. Knowledge of GNSS data collection, GIS standards, terms, principles, and mapping. Knowledge of Microsoft Excel and Word. Must possess a valid motor vehicle driver's license.

### HOW TO APPLY AND APPLICATION DEADLINES

Interest in employment with the Forest Preserves can only be expressed by submitting a Forest Preserve Employment Application. Applications are accepted online at [www.LCFPD.org](http://www.LCFPD.org). Positions are open until filled.

### ABOUT LAKE COUNTY FOREST PRESERVES

The Lake County Forest Preserves offers an excellent work environment as well as complies with the Paid Leave for All Workers Act by offering paid time off.
