Golf Course Superintendent LaFayette Golf Course – LaFayette, Georgia Position Summary

The City of LaFayette is seeking an experienced and motivated **Golf Course Superintendent** to oversee the maintenance and agronomic operations of our 18-hole municipal golf course. The Superintendent will be responsible for turfgrass management, irrigation operations, staff supervision, budgeting, and equipment maintenance to ensure the course is maintained at a high standard for approximately **24,000 rounds annually**.

This position works closely with the **Director of Golf and City leadership** to ensure the course is operated in a fiscally responsible and professional manner while providing an excellent playing experience for golfers.

Key Responsibilities

- Manage all aspects of golf course maintenance and agronomic programs.
- Supervise, train, and schedule grounds maintenance staff.
- Oversee irrigation scheduling, pesticide applications, and regulatory compliance.
- Manage department budget, forecasting, and cost controls.
- Maintain and oversee course equipment and maintenance facilities.
- Coordinate course conditions and scheduling with golf operations staff.

Course Information

- **18-hole municipal golf course**
- **TifEagle Greens installed Summer 2022**
- **Bermuda 419 Fairways and Tees**
- **Annual Rounds: ~24,000**
- **Maintenance Budget: ~\$500,000**

Irrigation System

Toro irrigation system utilizing **Toro Osmac controllers with Toro Lynx central control software**, capable of remote operation via mobile app.

Recent Facility & Equipment Investments

- **New golf lift for mower maintenance**
- **New reel grinding equipment**
- **Updated John Deere and Jacobsen mowing fleet**

Recognition

- Voted **Best of the Best Golf Course in Northwest Georgia – 2021, 2022, 2023, 2024, 2025**

Minimum Qualifications

- 3–5 years experience as a Golf Course Superintendent or First Assistant Superintendent
- Degree or certificate in **Turfgrass Management, Agronomy, Horticulture, or related field**
- **Pesticide Applicator License**
- Valid Driver's License
- Strong computer and organizational skills
