

## **勞工 - 埋藏的公用事業建設**

**J & K Contracting LC** is looking to hire dependable laborers to join our buried heavy utility crews. We're looking for someone who shows up on time every day, works hard, and takes pride in doing the job right.

### **Position Responsibilities**

- Assist with installation of water, sewer, and storm pipe
- Safely enter and exit trenches and excavations throughout the workday
- Handle shoveling, grading, pipe laying, and general labor tasks
- Work as part of a crew to complete buried utility projects efficiently and safely

### **Requirements**

- Consistent, reliable attendance
- Valid driver's license with a clean record
- Ability to perform physical labor in varying weather conditions
- Ability to get in and out of holes/trenches repeatedly
- Positive attitude and willingness to learn

### **Preferred (Higher Pay for Experience and Class A or B CDL)**

- Previous buried utility or pipe installation experience
- Experience working around heavy equipment
- Class A or B CDL

### **What We Offer**

- Competitive hourly pay based on experience
- 7 Paid Holidays (After 1 months of employment)
- Paid vacation time (After 1 year of employment)
- 401K Program Availability (After 1 year of employment)
- Overtime opportunities
- Stable, year-round work
- Opportunity to grow with a respected local contractor

Pay Range - \$16.00 - \$22.00/Hour. Rate dependent on experience and ability

### **Pay Range Explanation**

Pay is based on your experience, reliability, and certifications. Entry-level laborers start at the lower end of the range, while those with buried utility experience or a Class B CDL earn higher rates. Consistent attendance and strong work ethic are also rewarded.
