Osteopathic Physician Opportunity – Cranial Osteopathy

Osteopathic Healthcare of Maine | Falmouth, Maine

Join a thriving, physician-led practice where osteopathic principles remain at the heart of patient care.

Founded in 1998 by Dr. Donald Hankinson (retired), our practice was built on the belief that exceptional healthcare begins with genuine compassion, meaningful patient relationships, and a commitment to treating the whole person. For more than 28 years, we have proudly served the people of Maine through a unique blend of traditional osteopathic care and innovative approaches to wellness.

Today, our team of osteopathic physicians— Jeff Greenfield D.O, Keelyn Wu D.O, Tom Gilson D.O, and Jennifer Hilton D.O continue that mission, providing comprehensive osteopathic care in a collaborative and supportive environment.

What We Offer

- Full-time or part-time opportunities available
- Competitive compensation package
- Bonus opportunities
- Established physician-led practice with a strong referral base
- Exceptional clinical and administrative support staff
- Malpractice coverage is available for full-time physicians
- Freedom to practice true Osteopathy
- Mentorship and collaboration with experienced osteopathic physicians
- Opportunity to help shape the future growth of the practice

Integrative and Innovative Care
Our physicians combine hands-on osteopathic medicine with functional medicine and other complementary approaches to optimize patient outcomes.

In 2025, we launched **TruDOSE**, an innovative IV PRP therapy program that has become an exciting addition to our practice. This therapy supports the body's innate healing capacity and has helped many patients achieve improved vitality (that we can perceive during a treatment!), wellness, and overall health. We are excited to share this work with providers who are passionate about advancing patient care.

Who We're Looking For

- D.O. with training or experience in osteopathy in the cranial field

- Active Maine medical license (or eligibility for licensure)
- DEA registration (or eligibility)
- Passion for hands-on, whole-person care
- Desire to build meaningful, long-term patient relationships
- Interest in practicing within a collaborative, supportive team environment

We welcome physicians who bring additional interests, specialties, or innovative approaches to patient care. Our practice encourages professional growth and supports the integration of new skills that complement osteopathic medicine.

To learn more about us, visit us at **osteopathichealthcareofmaine.com** **or give us a call at 207-835-2020.**

Please send your CV and a brief letter of interest to: eparent@osteohealthme.com

We look forward to hearing from you.

In Health,

Jeff Greenfield, DO
Keelyn Wu, DO
Tom Gilson, DO
Jennifer Hilton, DO
