

Community Compass Liaison (West Tennessee)

About Rural Health Association of Tennessee:

RHA is a 501(c)3 non-profit with the mission to lead the way for a healthy Tennessee through partnerships, advocacy, education, and resources. As a member-driven organization, the goal of the association is to serve as a trusted resource to our members, partners, and the public so that together we may tackle Tennessee's toughest public health issues.

Position Overview:

The Community Compass Liaison (CCL) is responsible for building relationships with community-based organizations (CBOs) with the goal of recruiting, training, and retaining organizations to adopt Tennessee Community Compass (TCC) a "closed-loop referral system." The position involves developing outreach plans/lists, recruitment via phone calls, emails, and visits, and delivering training and technical assistance as needed to increase the adoption of TCC. The position reports to the Community Compass Manager and/or Director.

Responsibilities and Duties:

- Develop outreach and recruitment plans aimed at recruiting priority organizations to adopt the Tennessee Community Compass platform.
- Conduct recruitment activities including list building, cold calls, emailing, and visits as necessary to meet recruitment and adoption goals.
- Establish and grow deep, sustainable relationships with RHA members and CBOs in assigned regional areas, with the goal of increasing nonprofit usage of TCC tools.
- Train RHA Members and other CBOS on how to use TCC's suite of tools to streamline their work, connect to each other, and support a shared population.
- Advocate for the ongoing needs of members and partners through gathering feedback and understanding of community needs, challenges, and proposed solutions.
- Support organizations with technical assistance needs, responding in a timely manner, and working cross functionally to implement solutions.
- Support ongoing data collection, evaluation, and quality improvement goals related to the CBO outreach, recruitment, training, and adoption.
- Become Mental Health First-Aid Instructor certified to provide a value-add to members and community partners.
- Work cross functionally with other RHA staff to support all programs and organizational goals as identified by RHA strategic plan and contracts.
- Maintain a deep understanding of all programs and opportunities to share and promote.
- Prepare monthly reports that capture number of partner meetings, training, technical assistance services provided, and other outcomes relevant to the project.
- Maintain compliance status with relevant state and federal agencies.
- Attend relevant meetings and professional development workshops.
- Assist with other projects as assigned.

Qualifications:
