

Pediatric Occupational Therapist (OTR) – Early Intervention | \$75–\$85/Visit | Immediate Hiring

Now Hiring: Adams, Arapahoe, Boulder, Clear Creek, Denver/Boulder Metro Area, Douglas, Elbert, Gilpin, Jefferson & Summit Counties

Therapy Inc. is a therapist-owned and managed pediatric practice seeking contract Occupational Therapists (OTRs) to provide home-based Early Intervention services throughout Colorado.

Compensation & Benefits

- **\$75–\$85 per visit**, commensurate with experience, education, and certifications
- Flexible scheduling
- Immediate caseload opportunities
- Paid Early Intervention and feeding training
- Continuing education, mentoring, and advancement opportunities
- Supportive therapist-led team

Job Responsibilities

- Provide home-based OT services to pediatric patients, developing and restoring function through individualized treatment plans
- Evaluate, plan, and administer OT modalities in the child's place of residence
- Collaborate with families, physicians, and interdisciplinary teams to develop and implement IFSPs and patient-centered care plans
- Complete timely, accurate documentation in the electronic records system per clinical, quality, and regulatory standards
- Participate in team conferences to coordinate and integrate care across disciplines
- Engage children through play-based approaches — on the floor, on sensory equipment, and in their natural environment

Qualifications

Required:

- Valid Colorado OT license (DORA) and NBCOT certification
- Graduate of an accredited Occupational Therapy program
- Valid Colorado driver's license and reliable vehicle with current auto insurance (MVR checked)

- Professional Liability Insurance
- Medicaid enrollment including NPI

Required upon hire:

- EI training, EI telehealth training, Universal Training for Global Outcomes, CCB-specific trainings, and Salesforce portal maintenance (support provided)

Preferred:

- Bilingual: Spanish/English
- Feeding therapy experience (or willingness to complete paid training)
- Strong interpersonal skills and ability to quickly assess family dynamics
- Comfort engaging children at floor level and on sensory/playground equipment
