JOB SPECIFICATION: Online Small Group Tutor

Location: Online
Hours: Part time, between 3 - 12 hours per week (after-school & weekends)
Contract: Self-employed / freelance
Pay: £37 per session / per hour
Start Date: June 2026 or September 2026

We are looking for confident, reliable tutors in the following subjects:

- 11+ English and Verbal Reasoning *(June start date)*
- 11+ Maths and Non- Verbal Reasoning *(June start date)*
- GCSE Maths *(September start date)*
- GCSE English Literature *(September)*
- GCSE English Language *(September)*
- GCSE Science *(September)*

The Role:

- Deliver engaging online lessons to groups of up to 10 students
- Prepare lessons and materials that are interactive and structured, using digital tools
- Explain concepts clearly and confidently, making learning accessible and enjoyable to suit different learning styles and abilities
- Deliver lessons with your own teaching personality and style
- Prepare students effectively for exams
- Provide group feedback
- Communicate effectively and proactively with the Tutor Gym team
- Maintain high standards of safeguarding and professionalism

What We're Looking For:

Essential:
- Strong subject knowledge in your teaching area
- Minimum 2 years experience of teaching OR tutoring groups of 5 students and above
- Teaching qualification OR a degree in your teaching subject
- Strong knowledge of exam requirements and mark schemes
- Tech-confident
- Work well independently
- A friendly, calm teaching manner
- Excellent spoken English
- Reliability and professionalism
- Enhanced DBS check

Desirable:
- Online tutoring experience
- Proficiency with Zoom
- Experience using online whiteboards

Why work with us?

- Competitive hourly pay
- Fully flexible hours – between 3 and 12 hours per week across after school and weekends, with opportunity for more hours in 2027
- Teach entirely from home
- A friendly, supportive, and well-organised team
- Consistent students and regular work, with all admin managed for you
- Close access to tutoring support and guidance
- Be part of an exciting, fast-growing EdTech start-up
- Meet-ups, socials, and team events to connect in person and celebrate successes
- Clear opportunities to grow with the business as we expand

How to Apply

Please email alex@tutorgym.co.uk with your application, including:

- A CV
- A short introduction to yourself, detailing relevant tutoring/teaching experience
- Your availability
- Please include the subject you teach in the subject line of your email
- As part of the application process, we may ask you to teach a short demo lesson

Please expect to hear back on your application within 7 working days.
