

FOUNTAINGATE WELLNESS

Job Title: Seeking Licensed or Associate Licensed Therapist (LMHC/A, LMFT/A)
Full-Time/Part-Time

About Fountaingate Wellness:

Fountaingate Wellness (www.fountaingatewellness.com) is a thriving private practice committed to providing compassionate, ethical, and evidence-based mental health services to individuals, couples, and families. We foster a supportive and collaborative work environment where clinicians can grow professionally and make a meaningful impact in the lives of their clients. We offer a diverse range of therapeutic approaches and are dedicated to creating a welcoming and inclusive space for both our clients and our team.

Job Description:

We are seeking highly motivated and skilled Licensed Mental Health Counselors (LMHC), Licensed Mental Health Counselor Associates (LMHCA), Licensed Marriage and Family Therapists (LMFT), Licensed Marriage and Family Therapist Associates (LMFTA) to join our growing practice on a full-time or part-time basis. The ideal candidate will possess a strong clinical foundation, a commitment to ethical practice, and a passion for helping clients achieve their therapeutic goals.

Responsibilities:

- Provide individual, couple, and/or family therapy to a diverse client population.
- Conduct thorough assessments and develop individualized treatment plans.
- Maintain accurate and timely clinical documentation in compliance with ethical and legal standards.
- Participate in regular clinical supervision and team meetings (as required).
- Collaborate with other professionals (e.g., psychiatrists, primary care physicians) to provide integrated care.
- Adhere to all ethical guidelines and legal requirements of WA licensing board.

Qualifications:

Required:

- Master's or Doctoral degree in Counseling, Marriage and Family Therapy, or a related field.
- Valid and active Washington State license as an LMHC, LMHCA, LMFT, LMFTA.
- Strong clinical skills in assessment, diagnosis, and treatment.
- Excellent communication, interpersonal, and organizational skills.
- Commitment to ethical and culturally competent practice.
- Ability to work independently and as part of a team.

Preferred:

- Experience working with specific populations (e.g., children, adolescents, couples, trauma survivors).
- Training or certification in specific therapeutic modalities (e.g., CBT, DBT, EMDR).
- Familiarity with electronic health record (EHR) systems.
- Ability to maintain credentialing with insurance companies (for licensed applicants)
