

## Licensed Mental Health Counselor

### OUR MISSION

Wellness Therapies Spokane is a community of therapists dedicated to helping clients find pathways of healing, growth, well-being, empowerment, and acceptance. We believe that all people should have access to our programs. We stand in solidarity with BIPOC communities, and our marginalized, vulnerable, and at-risk populations in the fight against racism and all forms of oppression. We believe that a person's healthcare decisions should be between themselves and their medical providers. We believe all individuals have the right to be accepted for their unique and authentic selves.

### JOIN OUR TEAM

Wellness Therapies Spokane is currently seeking a new full or part-time Licensed Mental Health Clinician, to join our team. **Interest in working with children (5 and up) preferred.** The therapist should be interested in exploring their own professional development while working in a supportive, collaborative clinical team environment.

Qualified applicants are self-starters, active learners and well-organized. Wellness Therapies Spokane provides therapists with individual and group supervision and consultation, including EMDR consultation, at no cost. Our Client Care Team handles billing and provides assistance with scheduling and more, based on the clinician's desired level of support. Therapists are encouraged and mentored to develop a strong sense of their professional identity, including preferred clinical populations and treatment modalities.

Full benefits-eligible positions work 25+ hours per week. Reduced benefits are available for those working 24 hours or less. Therapists are encouraged to manage their own schedules and hours. No weekends or late evenings are required. Therapist are asked to maintain a 70-75% billable rate and are paid their hourly rate for administrative hours. We provide documentation training and support. Wellness Therapies offers excellent medical, dental, and vision insurance, sick leave, a significant parking stipend, liability insurance, paid time off, weekly consultation/supervision, paid time for continuing education, and more.
