

Welding & Fabrication Instructor OHP Campus

Reports To:	Career Tech Supervisor
Starting Date:	August 2026
Salary Range:	Based upon years of experience in education or industry and highest level of educational attainment based on the certified salary schedule.
Work Week/Year:	Standard School Year, 186-day base contract + 5 extended days for 1st year
Requirements:	A valid Ohio career-technical education certificate or license or five years of work experience in welding and fabrication. Broad knowledge of welding applications, procedures, specifications, industry codes and standards.
Preferences:	Effective organizational, planning, and project management skills. Ability to identify, evaluate, and implement program options, auxiliary services, and curricular materials that support the diverse learning needs of students. Experience in working with career technical student organizations. Must be able to communicate well and work collaboratively.
Responsibilities:	Provide classroom and laboratory instruction to high school students for employment or further education in the field of welding and fabrication. Evaluate student performance, work cooperatively with parents, community, business/industry, and school personnel.
Application Deadline:	March 6, 2026
