EXPERIENCED MONTESSORI GUIDES

NEWLY OUT OF TRAINING

TRAINING IN PROGRESS

MDTL MAY SPONOR ALL OR PART OF TRAINING COSTS!

MdTL is the most supportive and professional place to work, and the families could not be more supportive! I love the spirit of collaboration among teachers, staff and administration. I have found my school home! –MdTL Teacher

MdTL is interested in veteran guides, teachers with a few years under their belts, as well as candidates who are enrolled in their AMI Montessori teacher training. For the right candidate willing to make a commitment to work at our school, MdTL may sponsor the cost of training, including reimbursements for cost of books and materials.

We are proud to offer competitive salaries, excellent benefits, full support for attendance at the yearly AMI refresher courses, and many other opportunities for professional and personal development. Our benefits package includes medical, dental, disability retirement savings contributions, life insurance, paid vacation and sick days. Salary will be commensurate with training and experience.

Start Date: August 2026

Candidates must be either in-progress or have completed their AMI Primary Montessori training. Ideally, the candidate will have had at least 2 prior years' experience in a Montessori 3-6 classroom environment.

Montessori de Terra Linda is located in the beautiful San Francisco Bay Area, home to majestic and beautiful natural settings, a vibrant and diverse culture, and amazing weather. MdTL was founded in 1970 and located in beautiful Marin County, CA just across the Golden Gate Bridge from San Francisco. MdTL serves ~ 150 students in 7 classrooms: 1 Toddler, 3 Primary, 2 Lower Elementary, and 1 Upper Elementary. About 75% of our 6th grade graduates continue in a nearby Montessori adolescent program. We are an independent, non-profit, AMI-recognized school with an amazing long-term faculty and staff who are passionate about our community and Montessori education. Our Head of School works closely with our dedicated AMI trained faculty, staff and our Board of Trustees to attain the highest ideals and principles of Montessori education.
