## **NON-ESSENTIAL JOB FUNCTIONS:**

Performs other job related duties as assigned.

## **JOB REQUIREMENTS:**

### **Equipment:**

Properly operate and utilize the following: automobile, mobile man lifts, tow-motor, tracked and articulating loaders, lawn care equipment - sprayers, chain saws; pressure washers, electric powered drills, grinders, saws, hammers, welders, hand, hydraulic and pneumatic tools, ladders, pumps, hoists, generators, diagnostic and laboratory test instruments.

### **Critical Skills / Expertise:**

- Knowledge of safety practices and Ohio and Federal environmental laws and regulations.
- Knowledge of County and departmental policies and procedures.
- Ability to use word processing and spreadsheet applications.
- Knowledge of wastewater treatment processes and plant operations.
- Ability to read and understand technical manuals, mechanical drawings, parts, and electrical schematics.
- Knowledge of procedures for sampling, sample preservation, laboratory practices, and chemical analysis.
- Ability to adjoin group assignments and work equally, cooperatively, and productively with associates.
- Ability to present a respectful image and conduct in all matters of public interaction.
- Ability to accept overtime assignments, i.e., extension-of-workday, weekend, holiday, emergency call-out.

## **DIFFICULTY OF WORK**

- Work involves moderately complex, relatively standardized tasks, processes, and operations following established laws and procedures.

## **RESPONSIBILITY**

- Supervisor provides general guidance, support, and performance intervention as necessary to ensure employee's adherence with County policies and Water Resources standard methods, practices, and procedures. Employee works collaboratively with supervision and others to meet facility operating requirements and objectives.

## **PERSONAL WORK RELATIONSHIPS**

- Incumbent has contact with co-workers and the general public. Employee displays courteous, cooperative, and professional conduct with associates and community members.

## **PHYSICAL EFFORT AND WORK ENVIRONMENT**

### **Physical Requirements:**

Employee's work includes various lifting requirements of occasionally up to one hundred (100) pounds. Employee must have the strength and dexterity to properly and safely utilize vehicles, other powered apparatus, equipment, and tools.

### **Physical Activity:**

Employee performs the following physical activities: climbing, balancing, stooping, kneeling, crouching, crawling, reaching, walking, pushing, pulling, lifting, fingering, grasping, feeling, talking, hearing, driving and repetitive motions.

### **Visual Activity:**

Employee performs work involving hand to eye coordination, color, and depth perception, and peripheral sensory.

### **Unusual Demands:**

On a rotational basis, employee will be called-out after hours to evaluate and correct operational problems and will most often do so autonomously. Employee is routinely required to handle a variety of chemicals and other compounds.

### **Job Location:**

- Incumbent works inside and outside with exposure to temperatures that range from below 32 degrees to above 100 degrees for periods of more than one hour. Incumbent is occasionally exposed to hazards and atmospheric conditions. Incumbent may be required to use a respirator and air monitoring equipment.
- Occasional work in extreme temperature and weather conditions is also necessary. Use of air monitoring instruments and personal protective equipment are task specific requirements.
- Fenced and gated 12-acre site comprised of eight buildings, two storage barns, tanks, basins, filters, and channels. Walking, carrying items and climbing steps are daily requirements.

<b>Position Requirements</b>	High School education or G.E.D. is required. Employee must possess and maintain an Ohio EPA Wastewater Certification as an O.I.T or Operator I, II, or III. Preferred a valid Ohio Class A commercial driver's license with airbrake and tank
